9:00 a.m. - 12:00 p.m. Workshop

Have recent events reshaped your financial future?

Now is the time to take charge of your finances and pursue a more comfortable financial future.

We will explain fundamental financial principles in a way that makes it easy for you to understand and use them. We use simple language, clear diagrams, and real-world case studies to help you build a brighter financial future.

This workshop speaks directly to your concerns, addresses your questions, and gives you plenty of pointers you can put into practice right away to help improve your financial outlook. You will also receive a valuable take-home workbook.
